Scholastic Book Club

What is Book Club?

Book Club is a book buying service run by Scholastic through schools. Twice a term brochures are sent home with students and parents can place orders online through the Scholastic website (payment option 1 on brochure only).

For each book ordered, the school receives “Bonus Points” to purchase goods and services from Scholastic in the same manner as we do when we conduct our Book Fairs.

With this note you should have received the “Scholastic Book Club” Issue 3 brochure.

If you wish to order books from Book Club, please see the reverse of this notice for instructions on how to place your order.

Remember, for each book ordered, the school receives points to spend on resources.
