Welcome 2016

Dear Parents/Carers

Welcome back to the 2016 school year. I hope all families had a great break. Welcome also to our new families. I am very excited about my appointment as Principal of Caringbah North and I’m looking forward to working with the students, school community and staff this year.

Generally, students will be retained in their 2015 class for the first few days while we are confirming numbers. As a class they have moved to their new stage and grade for the 2016 year and beginning to meet the new stage teachers. All classes are engaging in productive learning around a range of topics to begin the year. Each stage teacher has prepared units of work and they will each teach the students these over the coming days. It is a great opportunity for all the students to meet all the teachers.

On Friday, all students are to wear their sports uniform.

Year 1 and 2 students are to assemble each morning in the K-2 asphalt area; years 3 to 6 will meet under the 3-6 COLA to begin the day.

We would also ask families if they would mind holding off on bringing classroom supplies until students are placed in their 2016 classes.

Regards

Sharon Tollis
