Dear Parents,

Please find a list of requirements for Kindergarten outlined below.

1 x paint shirt (preferably NOT plastic)
1 x library bag (can be purchased from uniform shop)
5 x glue sticks (no labels required)
1 x pack of 12 wind up crayons for class supply
2 x A4 document wallet (plastic envelope) folders
1 x box of tissues
2 x pack of wet wipes (baby wipes)
1 x spare pair of underpants and socks in school bag
1 x raincoat (no umbrellas)
1 x water bottle (labelled)
1 x lunch box (labelled)

Please note:

• The CARINGBAH NORTH PS UNIFORM SHOP supplies the majority of your child’s stationery needs (see school website under ‘Our School’ and ‘Uniform Shop’ for a price list) – as well as a paint shirts and library bags.
• All of the above can be found in most stores for reasonable prices. If you already have any of the supplies please do not purchase more – use what you already have.
• Label all of your child’s supplies; clothing; and food and drink containers with your child’s name and grade so that they may be returned if misplaced.
• The children are asked to bring something to eat for daily “Crunch and Sip”. This consists of a small snack of fresh fruit or veggies only. The children are encouraged to drink water at all times and may bring a water bottle to be kept on their desk.
• All food (including morning tea and snacks) should be brought in a lunch box or container. We have some clever birds on the playground that have been known to walk into the building and walk out with children’s lunch bags and food. Storage in containers prevents this from occurring.

Many thanks

Kindergarten Teachers
